

# Press Release

**CHARITY : CHILDREN'S AND YOUNG PEOPLE'S PLAYGROUND  
AND PARISH RECREATION GROUND (288005)**

**CORPORATE TRUSTEE : GODSHILL PARISH COUNCIL**

**Great news for residents of Godshill and the Island as a new play park has secured funding. The donors who wish to remain anonymous said “we were so excited to read about the playpark project and simultaneously devastated when we heard that it had lost funding, we really wanted to be able to help and to see this much valuable resource built for the village and wider community”.**

**In keeping with the original vision of a “fully inclusive” space, the playground will include a wheelchair accessible roundabout, climbing equipment, zip line, obstacle course and sensory areas. The play park will be housed on Central Mead and it is hoped will be enjoyed by local families, islanders and tourists alike.**

**Work on the site is due to begin shortly.**
